

FAASTeam presents:

2016 Arkansas Inspection Authorization Refresher Course (IA)

Plan now to attend the FAA Certified Inspection Authorization Refresher Course, February 12, 2016 at the Jacksonville Community Center, Jacksonville, Arkansas. The Jacksonville Community Center is located at #5 Municipal Drive in Jacksonville, AR (Take Main Street Exit, go West one block, then south on Municipal Drive). Class check in, 7:00 A.M. to 7:30 A.M. Class will start at 7:45 A.M. You must be on time and attend the full 8 hr. course to qualify for certificate renewal. Course # C-IND-IM-151118-K-006-001.

The one day course is sponsored by the Arkansas Department Of Aeronautics and will be presented by Mr. David "Bear" Copeland, Little Rock, Arkansas.

Important: It is important you read FAR 65.91/65.93 for further explanation. While 2016 is a non-renewal year, it is a training year. As such, 8610-1 forms will NOT be required at the clinic and the certificate you receive will be needed for renewal in 2017.

You must meet the annual requirements for IA renewal even though the FAA will not sign your IA card again until 2017.

There is no online registration! You must complete and return the information slip that is being mailed to all active IA holders in Arkansas.

Event Details

Fri, Feb 12, 2016 - 07:00 CDT
Jacksonville Community Center,
Jacksonville, Arkansas
#5 Municipal Drive
Jacksonville, AR 72076
